MEMORANDUM FOR: Deputy to the DCI for National Intelligence  
Officers

George:

1. I would appreciate your help. There was some talk at a Morning Meeting of last week of circulating a "Colby prepared statement" in connection with the Sam Adams hearings.
2. Attached are two different statements that appear to have been produced for the same purpose. I am a little confused if this, or anything, should be printed, and would like to discuss the matter with you.
3. Please give me a telephone call when you receive this matter.

John F. Blake  
Deputy Director  
for
